

GOD'S WONDERFUL CREATION

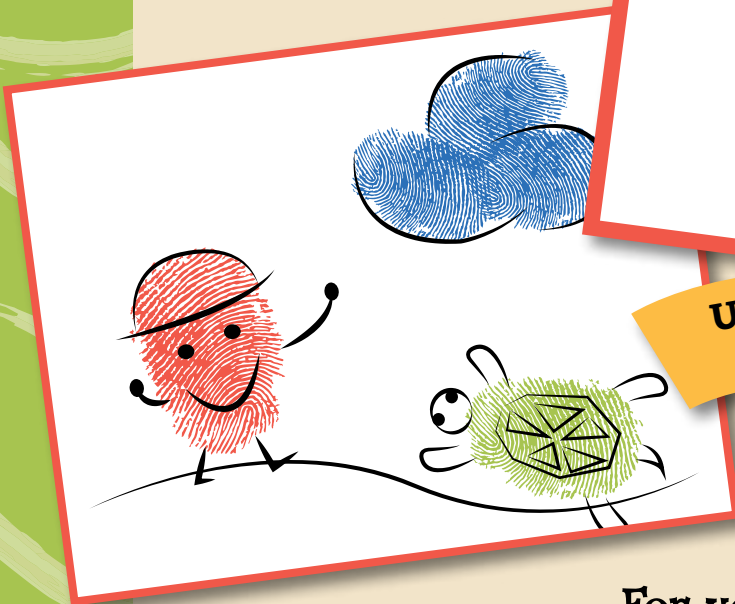

Quarter 1 ♦ Lesson 1

**God loves *YOU* so much that
He made you very special!**

He took the time
to give each person
unique fingerprints.

**Use ink, mud, or paint on your thumb to
make a fingerprint picture here.**

For you created my inmost being;
you knit me together
in my mother's womb.

Psalm 139:13
